Revisions and corrections for Willard, 2020.

Page one is missing a page number at the foot of the page. This causes page two to be labelled "1", page three "2", and so on. The following notes will use the page numbers as they currently exist in the draft.

Page 2, line 8: Was reference [49] intentionally omitted from the list of citations?

Page 3, line 7: Extra space between the period and the closing parenthesis.

[5].) -> [5].)

Page 4, line 11: Extra comma after "reach".

would, ultimately, reach, some -> would, ultimately, reach some

Page 6, line 10: Plural disagreement. "formalisms uses" should be "formalism uses" or "formalisms use".

Page 9, footnote 1, line 3: Extra space between opening double quote and "very".
